Assembly Bill 3016 (Cook/Lieu) Introduced February 22, 2008 Page 2

With the following exceptions, VCFs remain on the PIT return until they are either repealed or fail to meet their minimum contribution amount.

- Except for the California Seniors Special Fund, which has no sunset date, each VCF has a specific sunset date.
- Except for the California Seniors Special Fund, the California Firefighters Memorial Fund, and the California Peace Officer Foundation Memorial Fund, each VCF must meet an initial minimum contribution amount of \$250,000.
- Except for the California Fund for Senior Citizens, the required minimum contribution amount is adjusted annually for inflation for each VCF.

The annual inflation adjustment is based on the percentage change in the California Consumer Price Index. The Franchise Tax Board (FTB) is required to make the following two determinations for each VCF by September 1 of each calendar year:

- 1. The minimum contribution amount for the next calendar year for the VCF to remain on the PIT return for that calendar year, and
- 2. Whether estimated contributions to the VCF during the current calendar year will be less than the minimum contribution amount for that calendar year.

FTB is also required to notify certain specified funds in writing of the minimum contribution amount required for the next calendar year.

If FTB estimates that a VCF will fail to meet or exceed the minimum contribution amount for a calendar year, that VCF is repealed effective January 1 of that calendar year.

THIS BILL

This bill would extend the repeal date of the California Military Family Relief Fund (Fund) from January 1, 2010, to January 1, 2014. Assuming the amount of contributions remain at or above the minimum contribution amount for a calendar year, this fund would last appear on the PIT return for the 2013 taxable year.

This bill would expand the recipient of financial aid grants from members of the California National Guard to all reserve members of the Armed Forces of the United States who are California residents.

This bill would provide additional requirements for reserve members to establish proof of eligibility for the grants paid out from the Fund.

PROGRAM BACKGROUND

The California Military Family Relief Fund first appeared on the 2004 return. The minimum contribution amount for calendar year 2006 was \$250,000. The minimum contribution amount is adjusted for each subsequent calendar year based on the California Consumer Price Index.

The Fund has received the following total annual contributions:

2005	2006 ¹	2007
\$282,106	\$243,977	\$260,878

The Fund needs to receive a minimum of \$270,122 from the 2007 tax returns filed in 2008 to remain on the return for the following taxable year.

IMPLEMENTATION CONSIDERATIONS

Implementing this bill would not impact the department's programs or operations.

LEGISLATIVE HISTORY

SB 1101 (Cedillo, 2008) would extend the repeal date for the Emergency Food Assistance Program Fund and change the title of the fund. SB 1101 is currently scheduled for hearing with the Senate Revenue and Taxation Committee.

SB 1249 (Alquist, Stats. 2006, Ch. 645) added general provisions for all existing VCFs by changing the application of the minimum contribution amounts for specified funds and the related requirements for FTB to calculate the required minimum contribution amounts and notify funds of such amounts.

SB 1162 (Machado, Stats. 2004, Ch 546) established the California Military Family Relief Fund for taxpayer contribution designation on the personal income tax return.

OTHER STATES' INFORMATION

Illinois, Massachusetts, Michigan, Minnesota, and *New York* allow for taxpayers to make charitable contribution designations on the personal income tax returns.

Of these states, *Illinois, Massachusetts, and Michigan* provide a Military Family Relief Fund designation on their personal income tax returns.

Illinois and *Michigan* requires a minimum contribution amount of \$100,000 for certain funds, and have various repeal dates.

Massachusetts, Minnesota, and New York do not require a minimum contribution amount, and do not specify repeal dates.

The laws of these states were reviewed because their tax laws are similar to California's income tax laws.

¹ While actual contributions totaled less than \$250,000, the fund remained on the return because on September 1st FTB estimated that the fund would meet the minimum contribution amount.

FISCAL IMPACT

This bill would not impact the department's costs.

ECONOMIC IMPACT

Revenue Estimate

Based on the discussion below, the revenue loss from this bill is as follows:

Revenue Impact – AB 3016 as Introduced						
Effective Taxable Years On or After January 1, 2010						
Assumed Enactment Date After June 30, 2008						
Fiscal Year	2009/2010	2010/2011	2011/2012			
Revenue Loss	N/A	<\$150,000	<\$150,000			

Any possible changes in employment, personal income, or gross state product that might result from this bill are not taken into account.

Revenue Discussion

The revenue impact of this bill is determined by the amount of contributions to the California Military Family Relief Fund and the subsequent claim of those charitable contributions as itemized deductions.

This estimate assumes the fund continues for returns filed on or after January 1, 2009. The minimum contribution amount required for the 2008 calendar year is \$270,122.

If an itemized deduction is claimed for every dollar contributed to the fund and affected taxpayers have an average marginal tax rate of 6%, the estimated revenue loss of this bill is approximately \$16,000 annually ($$270,122 \times 6\% = $16,207$). Because voluntary contributions would be made on the 2009 tax return filed during the 2010 calendar year, the revenue impact would not occur until fiscal year 2010/2011.
